Burlton Cottages

Burlton Cottages is a farm in a village with 4 holiday cottages and a swimming pool. This means I can stay here for a holiday with my family.

When I stay at Burlton Cottages

On arrival I might see

The friendly farm dog called Skye

Tractors and farm vehicles

The Studio

Fields growing crops

When I stay at Burlton Cottages

I will be met by Rachel or Gerry who will show me around the swimming pool, cottage and Studio.

I am allowed to swim in the pool every day but only when my parents say that I can.

When I stay at Burlton Cottages

Rachel or Gerry will show me the Studio which has

A quiet seating area

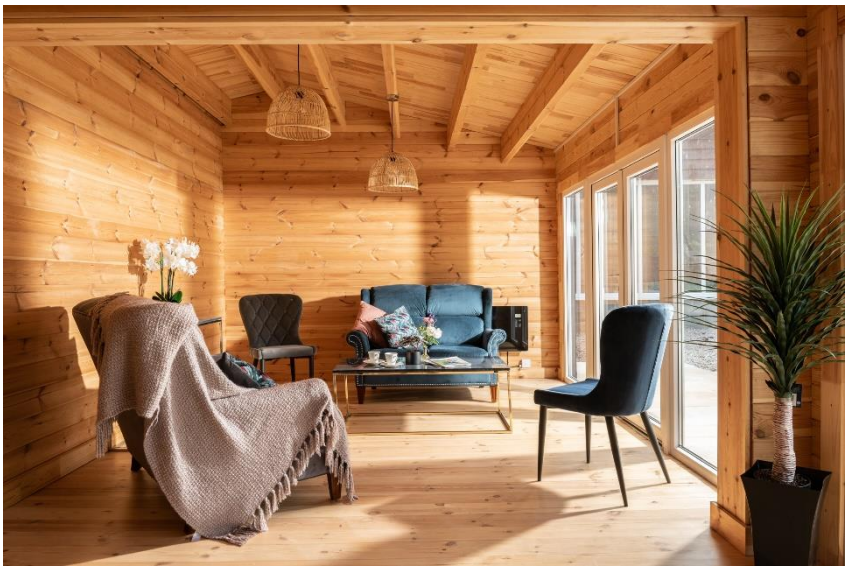

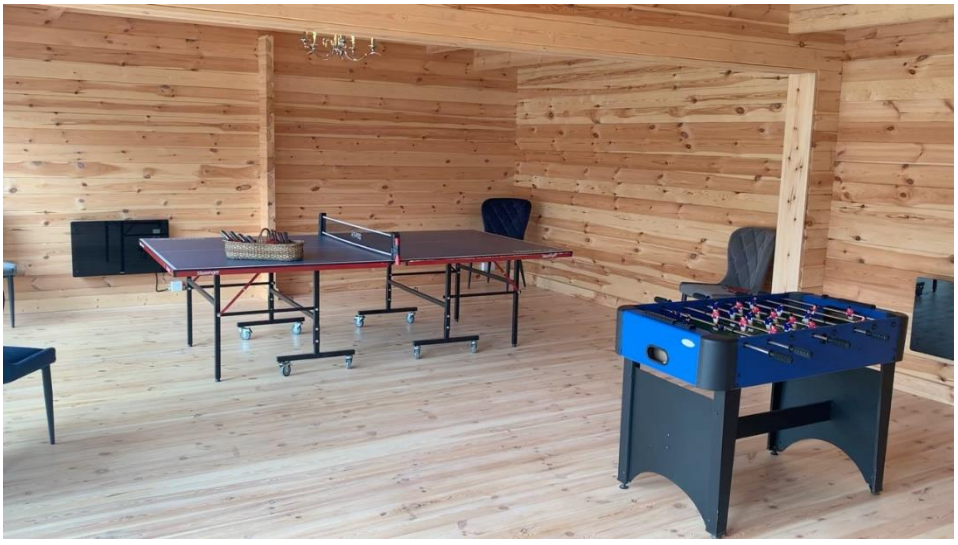

Table tennis and table football

When I stay at Burlton Cottages

Rachel or Gerry will show me into The Spa

There is a welcome area where I can go to the toilet if needed

A door then takes you through to the changing rooms, then into the swimming pool

When I stay at Burlton Cottages

Inside the cottage I might see

A Kitchen with dining table

A lounge with a TV

Bedrooms

Bathrooms

Patio seating area

When I stay at Burlton Cottages

I might be able to smell

Fresh countryside air, cut grass

Chlorine near the swimming pool

I might hear

Birds tweeting

A loud engine if Gerry is on his tractor

Gravel crunching in the car park

A light aircraft in the Sky

When I stay at Burlton Cottages

I might feel

Fresh air on my face outside

Warmth in the swimming pool area

Soft fluffy towels

Tiled floors, some are heated

I might taste some of the Shrewsbury biscuits waiting for us in the cottage.

Burlton Cottages

Burlton Cottages is where I am going to have lots of fun whilst on my holiday.
